REMARKS

Applicant has reviewed the Advisory Action dated July 22, 2005. The original response was filed within two months of the Final Office Action. This Response is being filed within one month of the Advisory Action. Therefore, this response is timely filed with the payment of a one-month extension of time. Examiner Pang confirmed in a subsequent telephone conversation on August 1, 2005, that claims 1 - 3, 5 - 10 and 20 were allowed. Thus, so that a patent may now issue, this amendment is submitted canceling the non-allowed claims. Claims 11 and 14 - 19 were rejected and have now been canceled. Therefore, the application is now in condition for allowance.
